Metodología

Descripción	Tipo horas
As part of the autonomous work, students will use UDA's virtual campus to complete questionnaires, upload assignments and videos, and to practice contents learned during class. In the virtual campus, students will find the necessary information to carry out their autonomous work.	Autónomo
The writing component of the course will be handled as autonomous work. Since this is also an oral communication course, students are expected to practice and rehearse their speeches on their own.	
Classes will be explicitly taught through Zoom sessions. The methodology to be used in class is the communicative approach combined with autonomous and group work. Explanations on the main writing principles and on how to be successful in public speaking will be carried out during the meetings.	Total docencia

Criterios de evaluación

Descripción	Tipo horas
Writing assignments will be graded over 2 points. Speeches will be graded over 3 points. Topics and rubrics will be given to students in advance so they can do the necessary research and prepare accordingly. Students will be also required to complete exercises on the virtual classroom. These will be graded over 1 point and will become part of the participation and attendance grade.	Autónomo
Classwork and class participation will be graded at different times during the course. Speech delivery will be synchronous and will be graded over 3 points. Students will be required to present their speeches live to the class.	Total docencia
